EDUCATION

BACHLOR I PHISICAL-SIENCE

2023-2024

CMC – Cité des Métiers et
des Compétences

2024-2026

SKILLS

- PHP
- MYSQL
- JAVASCRIPT
- FRAMEWORK: BOOTSTRAP
- OOP
- GIT & GITHUB
- C
- Arduino

LANGUAGES

- Arabic – Native
- French – Intermediate
- English – Intermediate

PROFILE

Motivated and creative first-year student in Digital Development at CMC Rabat-Salé-Kénitra, with a passion for web technologies, robotics, and teamwork. I have hands-on experience in developing websites using PHP and MySQL, and I enjoy working on innovative projects that combine software and hardware, such as Arduino-based systems. I am a fast learner, a proactive leader, and always excited to grow my skills in a collaborative environment.

EXPERIENCES

Team Leader – Website Development Project

2024-2025

CMC Robotique Club

- Led a team of students to develop the official club website.
- Contributed to both frontend and backend code using PHP and MySQL.
- Collaborated with designers and developers to meet project goals.
- Maintained team motivation and ensured timely task delivery.

Technical Assistant – Robotics Projects

2024-Present

CMC Robotique Club

- Supported peers with Arduino coding and debugging.
- Assisted in implementing technical solutions for club activities.

CERTIFICATIONS

Rootique Certificate – Ensa Agadir

Completed a robotics and technology training program covering basics of Arduino, electronics, and team-based innovation projects. Gained hands-on experience through workshops and collaborative challenges
